How to apply for an HBC Scholarship

- * Completion of application by 1 June, including references.

- * Scholarship funds will be applied to the second half of a student's fees for the year.

- * Placement on disciplinary probation may be grounds for forfeiting tuition discounts.

- * If a student withdraws from the College before the completion of the school year, the full amount of the tuition discount for that academic year is forfeited.

- * Failure to obtain an approved Leave of Absence before withdrawing from the College terminates the student's eligibility to renew tuition discounts.

- * Accounts from previous semesters must be paid in full to receive a tuition discount.

- * Once you have submitted a completed application by the deadline of 1 June, the Scholarship Committee will review each applicant. The Scholarship Committee will make their recommendation for who should receive scholarship monies. HBC will notify each recipient that is awarded a scholarship. If no communication is received, you should assume that you did not receive a scholarship.
